PENFOLDS

Established in 1844 in Magill, South Australia, Penfolds has been at the forefront of premium Australian wines for 150 years. The appointment of Max Schubert as chief winemaker in the 1950s changed the winery's focus from high quality fortified wines to dry reds and gave birth to the global wine icon - the Penfolds Grange.

BEAULIEU VINEYARDS

Established in 1900 and one of the few wineries to survive the prohibition era, Beaulieu Vineyards' wines and winemakers have had a huge influence over the direction of the Napa Valley region. The Maestro, André Tschelistcheff, led an era of revolutionary winemaking (1938-1973) that saw BV's rise to international acclaim.
